Business Journal recognizes 47 companies as 'Best Places to Work'

San Antonio Business Journal

The San Antonio Business Journal, along with Co-sponsors **Employer Flexible** and **Quantum Workplace**, Media Sponsor 550 KTSA Radio, and Association Sponsor San Antonio Human Resource Management Association Inc., announce the winners of the sixth annual "Best Places to Work Awards," which highlight companies with the best workplaces in the San Antonio area (Bexar, Guadalupe, Wilson, Comal and Kendall counties).

The winners were selected based on the results of online confidential surveys completed by the companies' employees.

More than 200 companies were nominated this year, and 75 successfully completed the survey process.

The 47 winners in the San Antonio area were determined by an assessment of the online surveys performed by the Business Journal's research partner, Quantum Workplace.

Quantum conducts employment engagement studies for more than 4,000 companies annually.

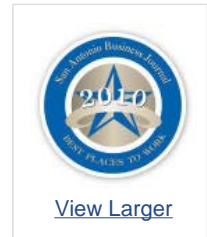

From these winners, the top six finishers will be chosen and announced in a special publication to be published in the Business Journal on June 4, 2010. Those six companies will represent the top two finishers in each of three categories: Small, Medium and Large, based on the number of employees.

All 47 winners will be recognized in the June 4 special section as well as at an awards luncheon to be held on June 3 at the JW Marriott. For information on attending the luncheon, contact Dariela Trevino at 477-0855, or by e-mail at saevents@bizjournals.com.

The following list of Best Places to Work winners is arranged alphabetically and is not an indication of where each company ranked in terms of Quantum's assessment of the online surveys.
