Rotary of San Antonio - Kingdom for Kids VIII

Cambridge Realty Group, Inc. (CRG) team members joined hundreds of volunteers on October 23, 2009 to work on Kingdom for Kids VIII at South San Filadelfia Church and Community Center. This two-day project is the eighth Kingdom for Kids San Antonio area undertaking completed with the help of Rotary of San Antonio, parishioners and community members. The church and grounds were completely transformed with the addition of two play structures, swing set, basketball court, gazebo, murals and landscaping throughout. Volunteers also painted the entire outside of the church as well as surrounding buildings.
